

MY OBJECTIVE

To receive an opportunity to contribute and grow in a creative, conceptually driven environment, that realizes the importance and potential of design as a profession.

MY EXPERIENCE

Cognate Creative 2008 - Present

Acting primarily as designer, I assisted my clients in creating successful online and offline Identities, with over twenty successful magento launches in the past two years.

Owner
Creative Director

ThirstyPixel December 2007 - January 2008

Oversaw all aspects of Design, Information Architecture and User Experience as Lead Designer - Overlooked the implementation of XHTML & CSS table-less layouts.

Senior Designer

i4 Solutions March 2004 - December 2006

Overlooked all aspects of design for web and print. As Lead Designer, I: Established communication with programmers & project managers; Overlooked the implementation of XHTML & CSS table-less layouts; Managed a team of four HTML & CSS programmers; Worked with setting of in-house design trends & assistant designer to business identity; Key contributor to production standards.
